

Our Glorious Heritage:

The music of Ira Sankey and the words of Fanny Crosby

Together, they gave us favorites such as:

- Send the Light, the Blessed Gospel Light
- God Will Take Care of You
- Able to Deliver
- and many others . . .

Date: ***Sunday, June 22***

Time: ***6:00 p.m.***

Place: ***Suck Springs Baptist Church***
3887 Jopling Rd., Bedford, VA

(Jopling Rd. is off Rt. 43 toward the Peaks of Otter.)

Jim and Shelley Hendry will bring these heroes of the faith to life in first-person monologues, in full costume. The program will close with an illustrated chalk talk of the beloved children's hymn, "Jesus Loves Me." This wonderful event is suitable for the entire family.

We seek to transmit to our generation the hymns that have been used of God to declare His truth, His plan of salvation, and His attributes. Psalms, hymns, and spiritual songs encourage revival, spur devotion, cheer the fainting and down-hearted, inspire young and old alike, and draw people into corporate worship.
